Dear Josh:

I am delighted that you will be able to attend the press conference at which the Senate Investigations Committee will release its report on infections acquired in health-care settings and on antibiotic-resistant infections. The press conference will be held on Wednesday, January 13, 1999, at 11:00 a.m. in the Caspary Hall auditorium of Rockefeller University. I enclose, in confidence, a copy of the Findings and Recommendations that will appear in the report.

I look forward to seeing you at the press conference.

Sincerely,

Roy
